You'll appreciate the attention to detail in this two-story design that offers spacious style. A combined living and dining area add to the feeling of openness that you'll notice as soon as you walk in the door. The huge kitchen is the perfect place for gatherings with an added nook and sliding

doors to allow easy access to the backyard. On the second level, the master bedroom features an enormous closet that could practically be a room in itself. This custom layout allows for efficient use of every square foot of your home, giving you the ultimate style and space.
