Elevation J

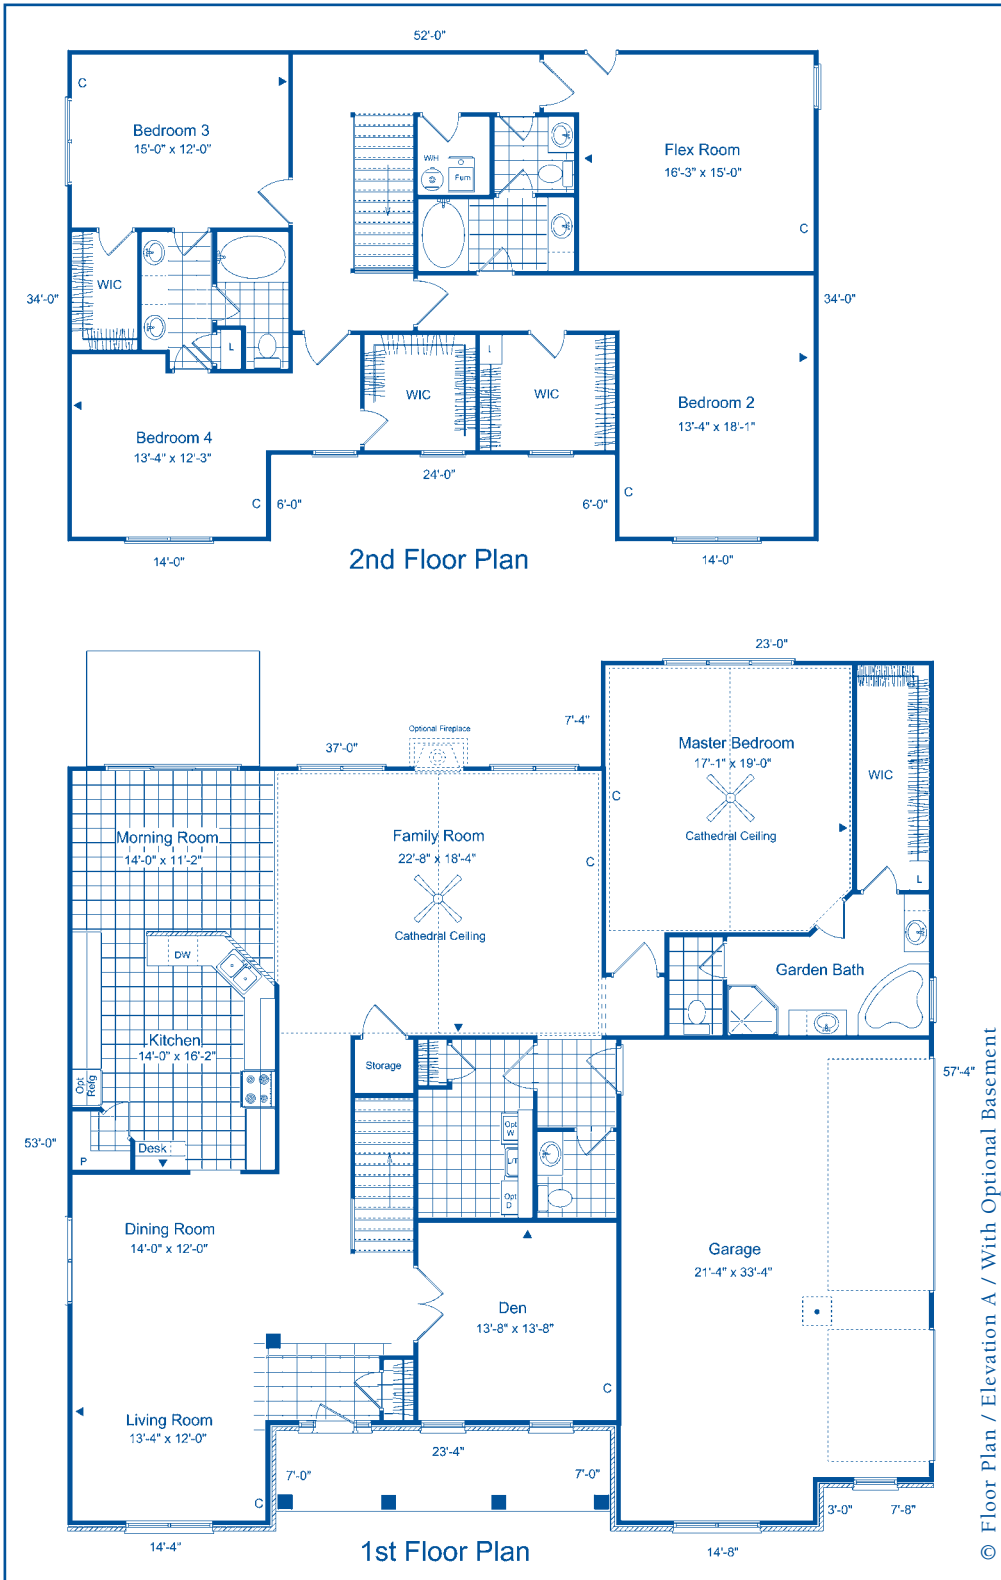

The front of the home may be reversed from this picture.

The Adams is one of our most beautifully designed homes in the Presidential Series, featuring a popular first floor master bedroom with garden bath and large walk-in closet. The kitchen is adjacent to the morning room for convenient entertaining. The inviting great room with cathedral ceilings and optional fireplace add to this home's elegant design. A private den, large laundry room, and three-car side entry garage round out the first floor. Walk upstairs and you will be pleased to see three more bedrooms, all with walk-in closets and a flex room.
