Elevation J

The front of the home may be reversed from this picture.

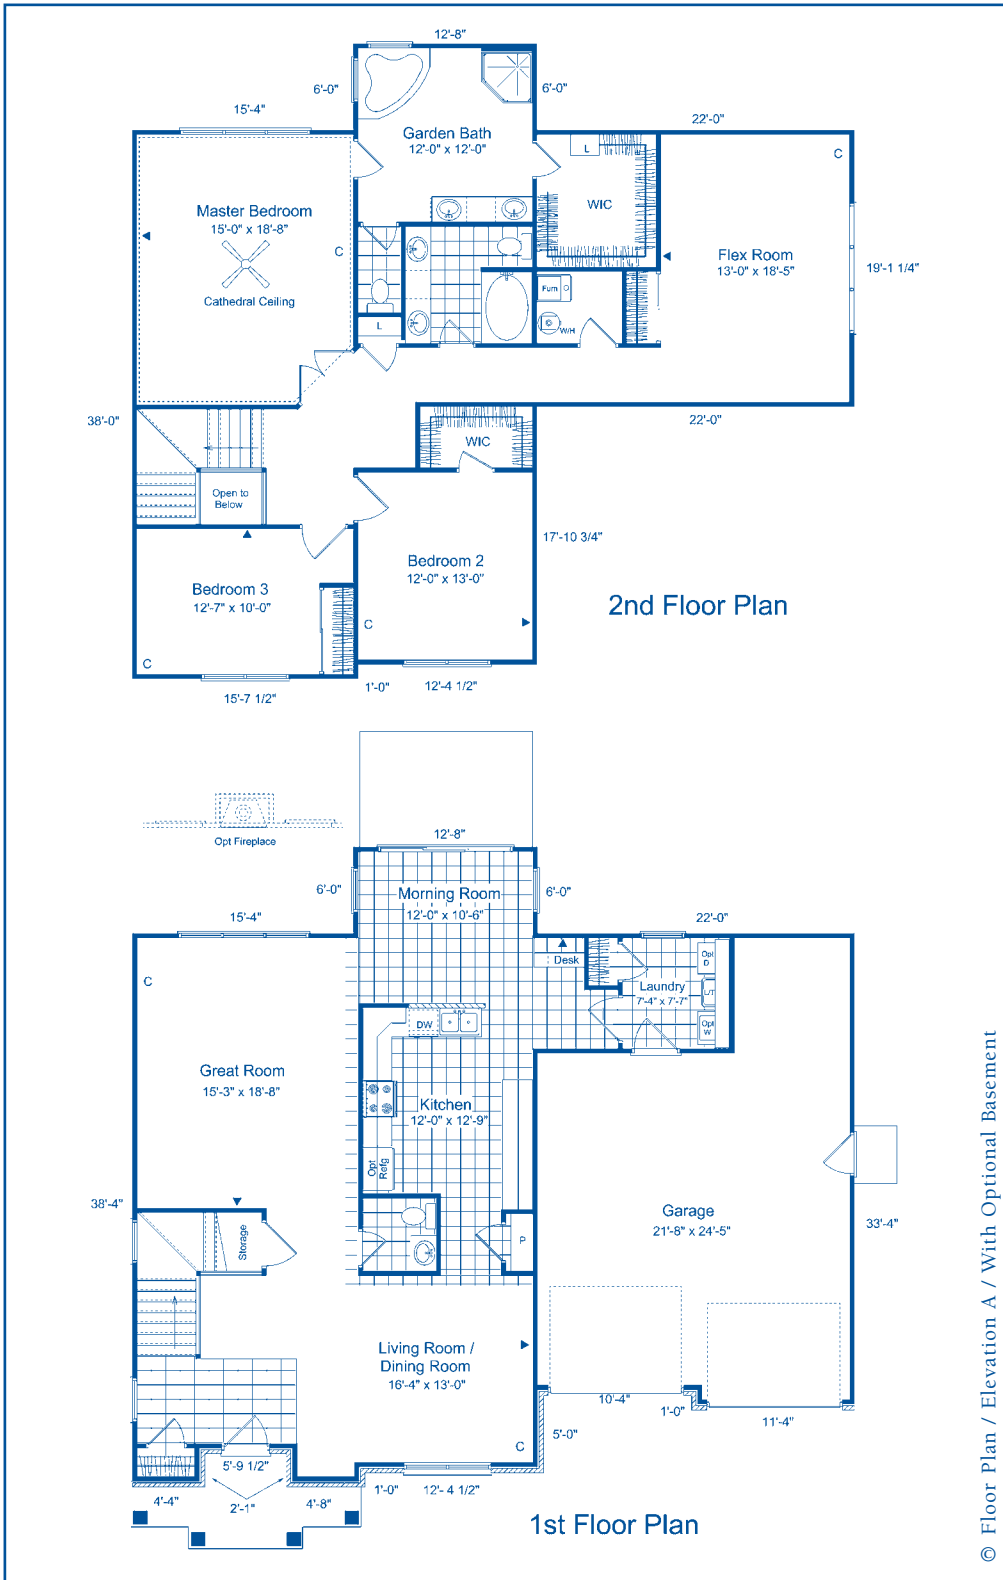

This versatile floor plan with several options has it all! The main level offers great entertaining possibilities with a dining/living room and a kitchen with an attached morning room, all the space you'll ever need. A laundry and great room round out the first floor. On the second level are three bedrooms with an additional flex room. The large master suite with cathedral ceiling is a dream with an incredible walk-in closet and garden bath.
