The McKinley is perfect for growing families and one of our most popular floor plans. From the spacious two-story foyer you will appreciate how open this floor plan is, with the dining room and living room off of the foyer. The great room opens to the morning room and kitchen. You'll also find a popular master suite with cathedral ceiling, walk-in closet, and garden tub on the first floor offering the privacy you always dreamed of. Upstairs is a loft overlooking the great room.
